Monthly Area Update January 2020

Area update covering Kirkby Lonsdale, Burton, Holme, Preston Patrick, Preston Richard, Lupton, Casterton, Sedgwick, Stainton, Old Hutton, New Hutton, and Natland.

South Lakes Police started the New Year with what was referred to as a week of action, basically business as usual but with emphasis on publicizing what was going on, it involved working with partner agencies targeting issues such as School parking, littering, and dog fouling supported by SLDC enforcement officers. Speed checks on the roads with Roads policing, un-taxed cars being ticketed, clamped and removed with DVLA officers. And various warrants being executed including drugs searches, resulting in a number of seizures and arrests.

All the above are ongoing tasks and many Schools have been deploying parking buddies (signage to remind motorists) to keep the message going when officers not on site.

In the wake of recent rural thefts extra patrols are still being deployed in a bid to deter would be thieves from our areas.
